
Arthur L. Guzzetti

*Vice President - Policy,
American Public Transportation Association (APTA)*

Art Guzzetti, a 35 year professional in public transportation at the local, state and national levels, serves as Vice President-Policy for the American Public Transportation Association (APTA), the trade group for the public transportation industry. Among other things, Mr. Guzzetti is responsible for APTA's extensive policy development and research agenda, and for advancing policies favorable to public transportation with Congress, the Administration, state and local governments, with grass-roots and stakeholder organizations, and with public policy think tanks.

Prior to coming to Washington in June 1997, Mr. Guzzetti had 16 years of management experience with two of the nation's leading public transportation systems: New Jersey Transit, and Pittsburgh's Port Authority of Allegheny County. Prior to that he had two years experience with the New Jersey Department of Transportation. Duties have generally focused on transportation policy, government affairs, advocacy at all levels of government, capital programming, and grants development / management. In short, career focus has been on whatever it takes to generate funding support for public transportation!

Mr. Guzzetti has a Political Science degree from Edinboro State University, and a Master of Public Administration Degree from the University of Pittsburgh. Among other position, he currently serves as the national president of the Transportation Research Forum. He is married 35 years and is father to four children and the grandfather of three.
